Department 24

Honorable Patrick J. Zika, Judge

Cause called for Case Management Conference on March 12, 2009.

Plaintiff LaVon Godfrey represented by Caren P. Sencer via conference call.

Defendant AB Trucking, Inc. represented by Michael Broad via conference call.

Defendant Bill Aboudi not appearing.

Defendant Oakland Port Services Corp represented by Michael Broad and Jay Ian Aboudi via conference call.

**ORDER re: CASE MANAGEMENT**

The Court has ordered the following at the conclusion of a judicially supervised Case Management Conference.

**FURTHER CASE MANAGEMENT CONFERENCE**

A further Case Management Conference is scheduled for 08/14/2009 at 09:00 AM in Dept. 24.

Updated Case Management Statements in compliance with CRC § 3.725, on Judicial Council Form CM-110, must be filed no later than 07/31/2009. If the foregoing date is a court holiday or a weekend, the time is extended to the next business day.

**MOTIONS**

Plaintiff to file any motion for class certification so that adjudication/other action shall occur before the next case management conference.

**NOTICES**

The Court orders counsel and/or self-represented parties to obtain a copy of this order from the court's website <http://www.alameda.courts.ca.gov/domainweb>.

**OTHER ORDERS**

Plaintiff to make sure motion for class certification is adjudicated prior to the next case management conference or file a separate declaration showing good cause for failure to comply. Parties to confer on desired ADR process and schedule prior to the next case management conference. Parties to confer with witnesses on trial availability and be prepared to set case for trial at the next case management conference.

Parties are ordered to **NOT ATTACH ANY DOCUMENT TO THEIR STATEMENTS**. Each page of a filing must be scanned individually by hand into the court's computer imaging system. The court does not have sufficient resources to allocate clerical staff to scan documents such as duplicate pleadings, records, reports, bills, receipts, or other attachments. Documents containing small print, cursive writing, or photographs do not image well. Blank pages with tabs do not scan as anything but blank pages and cannot be used by the judge to locate specific pages. The judge does not receive a hard copy of the

statement and does not want a "courtesy" paper copy of the statement unless specifically requested. Parties may bring any document to the conference for review by the judge as necessary. **DO NOT ATTACH ANY PRIOR CASE MANAGEMENT STATEMENT OR ORDER TO A STATEMENT FILED IN THIS DEPARTMENT.** Prior orders not to do any of the above have been ignored with resultant waste of court time and resources. **ANY FUTURE VIOLATION OF THESE ORDERS MAY RESULT IN SANCTIONS AT THE RATE OF \$10.00 PER PAGE PURSUANT TO SECTION 177.5, CODE OF CIVIL PROCEDURE.**
