Counsel - The Court has determined that the parties should proceed with Barry Winograd as your mediation neutral, assuming his timely availability. A brief minute order will be issued to this effect. The parties are encouraged to verify availability and confirm the same to the Court.

Honorable Judge Freedman and Dept. 20:

From a recent reading of DomainWeb, I note that the Court has not yet posted a determination regarding the six neutrals nominated by the parties. Plaintiffs are happy to await the Court's decision, but would like to confirm that the Court does not require additional information from the parties in order to make this decision. I would also like to confirm that we should continue to check DomainWeb for any Order issued regarding selection of the mediator.
