ORDER re: CASE MANAGEMENT

**OTHER ORDERS**

A. The Court issued the following TCMO:

"1. The Court has read and considered the Joint CMS of the parties. It does not appear to the Court that there are any case management issues to be addressed on 8/5/2011. The Court is prepared to continue the CMC to 10/28/2011 to coincide with hearing on plaintiff's motion for summary judgment for which a hearing date has been reserved.

2. The parties shall confer and advise the Court if they are in agreement with foregoing or, conversely, if there are issues that should be addressed on 8/5/2011."

B. In response, the parties notified the Court by email of agreement that no issues required an appearance on this date. Accordingly, the CMC is continued as ordered herein with prejudice to advance the CMC if the need arises before 10/28/2011.

C. No updated CMS will be required before the continued CMC, but the parties should be prepared to provide the Court with an update on case management issues in the wake of a ruling on the summary judgment motion.

**FURTHER CASE MANAGEMENT CONFERENCE**

A further Case Management Conference is scheduled for 10/28/2011 at 02:00 PM in Dept. 20.

**NOTICES**

The Court orders counsel and/or self-represented parties to obtain a copy of this order from the court's website <http://www.alameda.courts.ca.gov/domainweb>.
