Cause called for Case Management Conference on December 10, 2009.

For attendance, see "Attendance Sheet" filed for this date.
ORDER re: CASE MANAGEMENT

OTHER ORDERS

1. The Court has read and considered the Joint Updated Case Management Statement of the parties filed on 12/3/2009.
2. The Court notes that a hearing date for the class certification motion has been reserved for 1/15/2010, but that the motion is not yet on file. As the parties are likely aware, the Court will typically schedule a CMC to be conducted shortly after the filing of a class certification motion to facilitate a realistic assessment of the discovery, if any, that defendant may need to conduct in order to effectively respond to the motion and to adjust, as appropriate the timeline for completion of such discovery and the filing of opposition with a corresponding arrangement between the filing of opposition and the time for the filing of any reply.
3. If there are no issues which would benefit from the Court's attention before the motion is on file, the Court is prepared to accept a proposal from the parties to continue the 12/10/09 CMC to a date in early January to address the issues discussed in item 2. above. Conversely, if either or both parties would prefer to conduct a CMC on 12/10/09 the conference will be held. The parties are directed to inform the Court of their preference(s) by email.

Court and counsel discuss motion for class certification issues. The 01/15/10 motion is for holding purposes only.

A further Case Management Conference is scheduled for 01/15/10 at 11:00 AM.
Plaintiff's counsel to supply additional information as set forth on the record.
Defense counsel shall prepare and submit to the court a Proposed Case Management Conference Order(MS Word).

Case continued to 11:00 AM on 01/15/2010 in Department 20, Case Management Conf Continuance, Administration Building, 1221 Oak Street, Oakland.
